FOR AGENTS & BROKERS

Search Commercial Lines
Appetite & Eligibility For
All Your Carriers In One
Place. For Free.

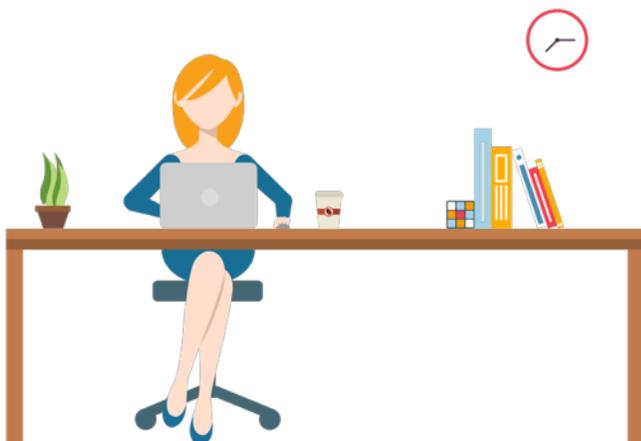

Ask Kodiak is a search engine that helps agents and brokers find the right commercial insurance products for their customers. Filter by state, coverage, and risk-size to zero in on just the right product. Drill in to learn about highlights, underwriting guidelines, download applications, and find out what steps you need to take to submit.

Appetite And Eligibility In An Instant

Carrier appetite changes all the time. You shouldn't have to read every update to every manual or visit everyone's agent portal just to keep up. Get instant visibility into up-to-the-minute class-level eligibility, benchmark premium amounts, product marketing material, and the key criteria underwriters look for. All without having to start a submission with every one of your carriers.
