

WHAT IS NY FIRST?

NY First is a coalition of insurance companies and trade associations that support the independent agency system in New York, with a focus on legislative & regulatory advocacy and industry research.

We are managed by a committee comprised of insurance company representatives and independent agents, and jointly chaired by an agent and a carrier representative.

OUR FOCUS

LEGISLATIVE AND REGULATORY ADVOCACY

NY First focuses its energies on developing common legislative and regulatory approaches that improve the marketplace for insurance consumers in New York and support the principles of the independent agency system.

INDUSTRY RESEARCH

NY First commissions studies that support its legislative and regulatory advocacy and that illuminate the direction of the independent agency system in New York.
