Your agency has made a great investment in its future!

Just a reminder that you are your agency's Key Contact (Company Administrator). This means you are our "go-to person" at your agency and we send most of the materials to you. We ask that you share them with your fellow employees.

You are also asked to keep your company roster and profile up-to-date, which is done quickly and easily in your account (we can walk you through it if needed). If you feel you're not the right person for this role, please give us a call.

A QUICK REMINDER...

- Big I New York staff is always available to talk through the amazing aspects of your Big I New York membership! This includes finding things on our website, our products & services, education programs, and more. Please don't hesitate to reach out to us.
- Our membership year runs September 1 - August 31. Your yearly invoice will arrive in early August & can be paid online at BigINY.org/dues or by mail or fax.
- We are a member-driven association. Every spring you are given the opportunity to participate in our proxy vote in which the next slate of executive committee members and board of directors is elected.

- Your agency is also a member of our national association (IIABA or the Big "I"), which grants you additional benefits on a national level. If your agency is in an area with a local association, you're also a member of that and should be receiving separate information about local upcoming events and meetings directly from them.

Your Big I New York membership gives **EVERYONE** in your agency access to our extensive and exclusive member products and benefits. This includes the vast resources on our website, market programs, Trusted Choice® logo & materials, ability to subscribe to the Trusted Choice online portal, new hire training options, discounted education pricing, CE history tracking and more.
